Dishes

When doing the dishes please be careful, you are working with bleach!

1. Fill the first sink with hot water and a squirt of dish soap. Fill the second sink with cool water and $\frac{1}{2}$ cup of bleach.
2. Scrub the dirty dishes in the soapy water, rinse in the bleach water, and then place on the drying rack.
3. Please do all the dishes first, then any dirty litter boxes. Never wash litter boxes and dishes in the same water.

Laundry

When doing the laundry please be careful, you are working with bleach!

1. Fill the washing machine with dirty laundry. This includes towels, blankets, stuffed toys,

tennis balls, leashes and collars. Plastic toys need to be washed in the kitchen.

2. Place one capful of laundry soap in the soap dispenser, and $\frac{1}{2}$ cup of bleach in the bleach dispenser.
3. Turn the machine to Normal cycle and start.
4. When drying clothes turn to automatic cottons and start.
5. Please fold laundry and place on shelves under the section they belong in. Toys are placed on the toy

racks in the laundry room.
